WHAT TO EXPECT

Your tigerfishing adventure is carefully planned to provide an exceptional experience.

- **Accommodation:** You'll stay in comfortable chalets, offering all the amenities needed for a relaxing retreat after long, exciting days on the water.
- **Fishing:** We'll fish the lake from larger boats due to the presence of hippos and crocodiles. River fishing will be done on foot in carefully selected, safe locations.
- **Meals:** Enjoy gourmet dinners prepared by our private chef, with breakfasts and lunches tailored to keep you energized during full fishing days.

Whether you're an experienced angler or a novice, we've got everything set up for you to enjoy this adventure to the fullest.

A man with a beard, wearing a black jacket, a cap, and sunglasses, is sitting in a boat on a river. He is holding a large tigerfish with both hands. The fish has a silver body with dark horizontal stripes and a prominent mouth with sharp teeth. The background shows a river with green foliage on the banks.

ADVENTURE OVERVIEW

Day 1: Arrival (friday)

Arrive at Jozini lake by 12:00. Enjoy a welcome Snack, and a detailed briefing about the adventure ahead. We should be done early enough for a afternoon session on the lake

Day 2: Early Start (Saturday)

Begin the day with an early breakfast before heading onto the water to maximize your fishing time.

Days 3–4: Full Days on the water (Sun-Mon)

Start the day either with an early breakfast, or a fishing session paired with a later breakfast/brunch. between guides and guests we will decide who is fishing the lake and who is fishing the river

Day 5: Final Fishing Session (Tuesday)

Enjoy a final day of fishing and spoils. depending on how your trip has gone so far we can decide whether you want to fish the lake or the river.

Day 6: Departure (Wednesday)

Conclude your journey with an early departure, taking with you memories of an unforgettable experience.
