What to expect

Embark on an unforgettable horseback expedition into the breathtaking mountains of Lesotho, where rugged peaks and vast open landscapes create the ultimate wilderness escape. From the moment you arrive, we take care of everything—transferring you from the airport to our basecamp, where your adventure begins.

You'll be matched with a well-trained, sure-footed horse, perfectly suited for navigating the dramatic terrain. Over the course of this exhilarating journey, you'll ride deep into the highlands, immersing yourself in the raw beauty of Lesotho's remote wilderness, far from the distractions of modern life.

For three incredible nights, you'll camp under the star-filled African sky, surrounded by the unspoiled beauty of the Lesotho highlands. Our team provides all the necessary camping equipment, ensuring a comfortable and hassle-free experience. After long days of riding and exploring, unwind at camp while enjoying gourmet meals prepared fresh each morning, afternoon, and evening.

As the fire crackles and the cool mountain air settles in, you'll find yourself completely immersed in the magic of this unique adventure.

When the journey ends, we'll bring you back to basecamp before transferring you to the airport, leaving you with memories that will last a lifetime

Your Accommodation

During your Lesotho horseback adventure, your accommodation is carefully planned to provide both comfort and an authentic wilderness experience. Your first and last night will be spent at a comfortable hotel, allowing you to rest before and after your journey into the mountains. Once we embark on the trek, you'll be fully immersed in the remote highlands, where we provide a personal hiking tent and mattress for each guest. For those who prefer more space, we can bring larger tents to be shared.

All your gear, sleeping arrangements, and campsite setup will be expertly handled by our team, ensuring a stress-free experience. Whether you're resting under a sky full of stars or waking up to breathtaking mountain views, every night will be part of the adventure.

Food

IN-CAMP CHEF

Your trip will include your very own private chef, to cook all meals fresh in the campsite, or on the road, making use of your local dishes and ingredients

CATERED LODGES

Some overnight stops will include expertly prepared meals and refreshing drinks, allowing you to relax and enjoy the lodge's hospitality and cuisine.

SPECIAL REQUIREMENTS

We will make sure that any special dietary requirements you have are met, as long as you let us know beforehand.

Transport

Your journey begins with a convenient airport pickup, where our team will transport you to the basecamp in comfortable 4x4 vehicles. Alternatively, if you prefer, you can drive yourself to the basecamp. Upon arrival, you'll be paired with a well-trained horse suited to your riding experience, while all your equipment and supplies will be transported by our team using pack donkeys.

After an unforgettable trek through Lesotho's rugged highlands, we will ensure a smooth return journey, transporting you back to the airport in our 4x4 vehicles, ready for your onward travels.
